

Jukebox Music Lists by Artists & Song Titles

Directions to select Music & Operate Jukebox

Songs are sorted either by the Artists First Name or Group. To play a song by Jimmy Buffet, you would look under **J** (Jimmy Buffet). It shows you the Disc number and the Track number of the song (i.e. 52 18 would be disc 52 and track 18. You would press **5218** to play that individual song. In order to play the whole disc, you would add 00 to the first 2 numbers (disc) and press **5200**. It always takes four numbers to play either a song or the whole disc.

The last page in the book shows more information on how to operate the jukebox. There is a diagram which shows the key functions on the front and back of the jukebox.
